Committee Reports:

- Corrections (Gregg G.): Gregg announced the Corrections Committee was disbanding and all remaining money would be used to buy Big Books to be distributed to jails. A lengthy discussion followed with no clear direction, as of yet. (I talked to Gregg later and discovered that he really meant D81's Correction Committee was disbanding.) Stay tuned for further developments!

Unfinished Business:

- The Central Office Board voted to have at least three more months of hybrid meetings. We will meet via Zoom and at the Central Office
- Gus reported on the C.O. inventory. We were about \$20 short.
- We elected the following open Intergroup positions 😊:
 - Secretary: Kelli
 - Archives: Larry

- CPC/PI: Angel
- Corrections: Chad

*The only open position is Treatment. If you are willing to serve or know of anyone that is willing, please let me know.

New Business:

- No new business
- Our next Intergroup meeting will be held at the Central Office and also a **hybrid meeting** on January 10, at 7 PM.
